

1. This is what happened or where I was when my urge came up:

I wanted:	I thought:	I felt (name the emotion):	My body felt (name the physical emotion):
------------------	-------------------	-----------------------------------	--

2. I decided NOT to eat and here's why...

3. I rewarded myself in this way instead of eating...

Remember what worked. I did and thought these things that worked...

The best part of saying no is that...
